## ENJOYING LOHAS WITH ORGANIC FOOD

If we live in harmony with all things on earth and be  
respectful and friendly towards nature, we'll get to  
know how interesting life is. Let every bite nourish  
our body and soul as well, and with love we are to  
embrace the earth and our families, and with  
burden-free power we will nourish our bodies.  
We shall live our life to the fullest at ease and  
without any restraints.

## A BOWL OF VARIED PICKLED VEGETABLES COMFORTING BOTH HEARTS AND TASTE BUDS

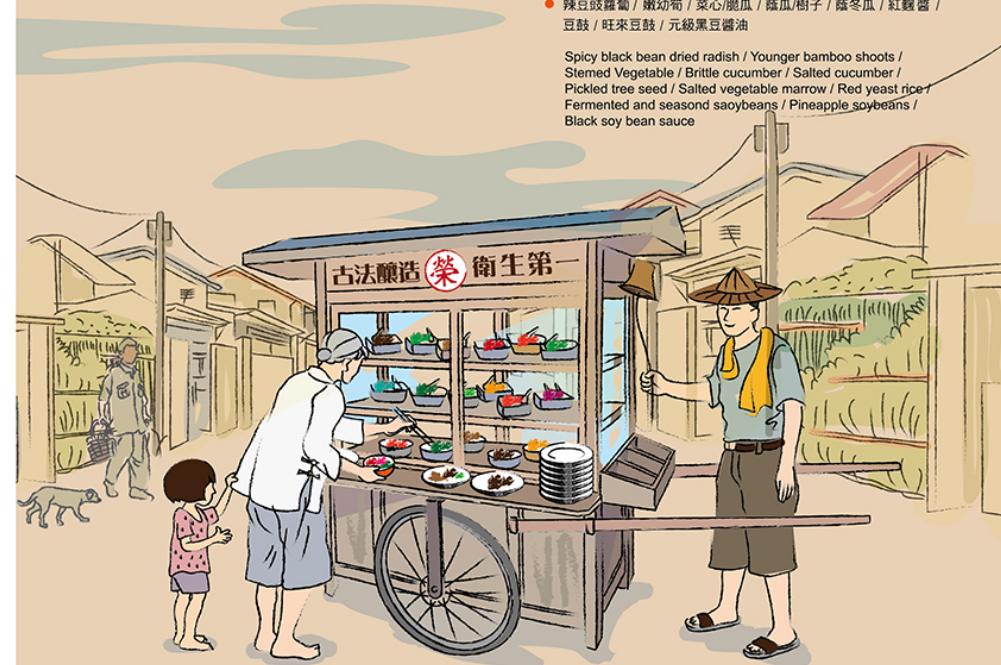

In ancient times, street food vendors used to offer porridge  
with pickled vegetables rich in color, aroma, and flavor.  
It's a flavor reminiscent of home, early morning breakfasts, and  
easy, unsophisticated life full of bliss and satisfaction, thus  
echoing and lingering in our hearts.
